What is a price

10% of your wedding budget but no less than 8 900 PLN (23% vat included)

Price is a wedding planner salary, doesn't include subcontractors fees.

We offer the following payment terms:

- deposit equal to 30% of the value payable at the time of signing the contract
- 50 % of the value of the service - 30 days before the event
- the remainder of the service - 2 days before the event

What else you should know

Before signing the contract, we don't give any details of offers that can identify our subcontractors (ie, names, addresses, websites). From the moment of signing the contract, we give our clients their all details.

We know from experience that our 3 trips to the place the ceremony it's enough. If you need more meetings, the cost is determined individually.

Coordination include up to 15 hours of work, till 1.00 AM. It is also possible to shorten or lengthen the duration of coordination. Then the price is determined individually.

IF...

- you need other range of service (less or more - ig. join wedding dress shopping, rehearsal or Poprawiny, sending invitations, tours for guests, hen and stag party etc.)
- you are planning to invite more than 120 guests or having a tiny wedding
- you are planning wedding in other destination (i.e. Zakopane or Warsaw)
